

Clean Air Forum 2018

November 20, 2018 // MacEwan University, Edmonton, Alberta

The Alberta Capital Airshed is pleased to invite you to participate in the **2018 Clean Air Forum**, which will be held on November 20, 2018 at MacEwan University. The Forum objectives include raising awareness of air quality in the

region, linking air quality with human health, and providing a forum for information exchange and dialogue amongst air quality stakeholders.

The audience of approximately 100 people is expected to include government (Municipal, Provincial, Federal), industry, NGOs / community groups, students, and interested members of the public.

We invite you to participate through sponsorship and/or booth. All sponsors will be recognized on-line, in print and on screen and their respective contribution level.
